

Outdoors with a TECH Twist

Saturday, April 21 2 - 5pm

Meet at THE COMMONS - Parks & Recreation tent

(the Parks tent will be located at the COLLEGEDALE MARKET, sign up for Player Prizes)

Family-friendly games in the great outdoors await those who are ready to pursue and seek adventure. Pokémon Go players, Geocaching members, and Munzee volunteers will be present to teach and train new players.

Pokémon Go is a free-to-play, location-based augmented reality game. Download the app and start catching your own Pokémon and exploring your environment.

NOTE: EX Trigger Party possible!

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices.

Attempt to find the new **Collegedale Inspires** cache (container) hidden. Go to www.geocaching.com to learn more.

Munzee encourages discovery by tracking down QR Codes hidden in the real world and capturing them for points. Download the app and start playing for free. **Find the scan for Collegedale Inspires Healthy Living.**

Adventure, Knowledge, Technology
